

CHAPTER 15: PURCHASING

15.0 OVERVIEW

The Department of General Services (DGS) delegates purchasing authority to DAAs. Some of the major purchasing options, limitations, and bidding procedures are outlined below for your convenience.

15.1 WRITTEN PROCEDURES AND INTERNAL CONTROLS

Each fair should produce and disseminate written procedures which establish internal controls such as:

- the conditions under which employees may make purchases
- obtaining and granting approval of purchase
- the documentation required

The fair's written procedures must consider and conform to the state options and requirements outlined below. They should also contain a reminder to employees that poor planning constitutes neither an emergency nor grounds for exemption from purchasing procedures.

15.11 Accounting Controls

- Prior to paying an invoice, make sure that the quantities and unit prices have been correctly ordered, billed, and delivered.
- Check that an authorized vehicle license number appears on the charge and the purchase order for gasoline.
- Make payments to vendors only when or after goods are received.
- Make payments in a timely manner to prevent assessment of finance or service charges and to take advantage of available discounts.

15.12 Documentation Required

The individual authorized to issue and/or approve purchases must set up and maintain logs and files for audit purposes:

- **Purchase Order Logs** (Delegated or Opportunity Purchase) - Lists purchase orders numerically, include date of purchase, name of vendor, and all items purchased
- *Small Business and DVBE* control log is required to prove a fair's compliance with the state's goals for the dollar value of purchases placed with these special businesses

15.2 DELEGATION OF AUTHORITY (DAA ONLY)

DAAs Delegations of Authority (Delegation) is approved by their Board for the following year annually. The Board must determine what level of contract approval authority to delegate to their DAA CEO and/or other staff. This Delegation is based upon dollar amount and type of contracts. For all contracts that do not fall under the Delegation,

individual Board approval and a formal Board resolution is required prior to entering into the contract. Please ensure that your DAA's Delegation is heard, approved, and submitted to Fairs and Expositions annually prior to beginning a new year. Following are information regarding Delegations for contracts and a sample Delegation format.

- Each DAA's *Delegation for contracts* **expires annually on December 31st**.
- The DAA's Board must annually re-hear, approve, and submit to Fairs and Expositions a new Delegation.
- Each time the DAA appoints a new CEO or other authorized person, a new Delegation must be heard, approved, and submitted.
- Contracts exceeding one year do not fall under the Delegation.
- The *Delegation* may give more than one person authority, as long as all information for each person is included.
- Typically, a Board still requires that at subsequent meetings they receive a listing of all contracts executed using the Delegation for their review and information.

The *Delegation* is documented in the form of an excerpt of the Board meeting at which it was approved. It must include:

- The Board meeting date.
- The expiration date of the Delegation (the following December 31st).
- Who motioned and who seconded.
- The name and title of the person(s) to whom the Delegation is given.
- The types of contract and dollar amounts approved.
- Description of any subsequent contract review requirement.
- "Certified to be a True Copy" signed and dated by the CEO.
- For any person receiving authority who is not the CEO, their dated signature must also be included on the Delegation.

15.3 OPPORTUNITY PURCHASING (DAA ONLY)

Public Contract Code Section 10321(a) provides for the Department of Food and Agriculture to develop criteria to be applied for fairs' opportunity purchases. The code section defines opportunity purchases as purchases made locally, by an individual fair or cooperatively by more than one fair, at a price equal to or less than the price available through the state purchasing program on or off state contract.

CDFA continues to delegate the development of criteria for opportunity purchasing to California Fair Services Authority (CFSA), with final approval of the criteria by the Department of Food and Agriculture. The latest approved opportunity purchase procedures and requirements, including dollar thresholds and formal bidding procedures are detailed below.

DAA's can utilize CFSA to process opportunity purchases for them; or DAA's can process their own opportunity purchases, with procedural and requirement clarification from CFSA if necessary. For information regarding opportunity purchasing, please contact CFSA's Purchasing Department at (916) 263-6191.

Note that for purchases that fall under the DAA's Department of General Services (DGS) requirements rather than opportunity purchasing criteria, processing must continue to be
