

Rodgers House committee meeting:

March 26, 2014

Members present: Sue King, Kennette Roberts, Trisha Kett, Connie Hernandez, and Loretta Estrada. Guest present, Don, VP of the Fair Board. We had discussions of the progress of the gas line, and what may lie ahead this next month. Hopefully by the next meeting we will be getting nearer to the point of the completion our patio. We did discuss the fence and we feel a lower fence would be fine. With the stone wall surrounding the redwood tree would become a place we can have some nice landscaping. With the stone retaining walls it will tie in to the rest of the Rodgers House, Tank House and AHP.

We discussed our next month's meeting, which will be held during the drive up north. It will be a nice day. I will be in touch with everyone before the event. We will be taking food with us so we can spend more time on the tour.

We have a major water problem in the front yard. Yello and Don looked at it and Don feels we can drill a hole in the concrete and install a drain pipe. (This area has all ways been a problem) But now it is worst. He said he would take care of it.

We discussed the Crab Feed and its success, the Rodgers House committee is very involved in the event, seeing it was our event in the beginning.

We have a Wedding in May, and one in June. The house will be open for tours during the Goat Hill Show. We will not be open for the car show or Burning Man.

After the meeting Kennette, Sue and I went to the Heritage Hall and put up the information signs under the barn pictures.

Meeting over at 4 pm.

Chairperson

Loretta Estrada
