

Rodgers house Committee meeting

November 30, 2016

Members present: Sue King, Kennette Roberts, Trisha Kett, Melanie Kett Wirtanen, Marilyn Hoyt, Diana Porter Cooley, Mary Travis and Loretta Estrada. Connie Hernandez was absent due to a personal medical appointment.

We spent the day decorating the house for Christmas, then cleaned the house, then had a working lunch/ meeting. Dave Kegebein came to the meeting to explain the reason why the bathroom behind the Heritage Hall has been on hold. He stated it was going to be his first priority this next year. We were glad to hear this. When there is a function at the hall and it is a group that we know we open the house bath rooms for the guest to use.

We discussed the upcoming Christmas Fair, and Trisha will be giving a private tour on Sat. Sue will be giving tours on Saturday as well.

Several members attended the Memorial service for Carol Robles in Salinas, she was such a great Steinbeck supporter, and we were lucky she took us under her wings.

Dave invited the committee to attend the dinner which will be held on the 14<sup>th</sup> in the Heritage Hall.

Our Christmas party will be December 7<sup>th</sup> in the house, it will be a finger food party again, and this was a great success last year.

Diane brought up the idea we need to have an emergency plan in place. Our alarm system had not been working for a long time it was brought to my attention. It is now working properly thank god, it would be horrible if something happened to the house and the alarm was not working. She feels IF we seen something going on whom we could contact first. The Sheriff's department takes a lot of time to respond some times. We will ask some questions regarding this matter. She also said she would be willing to help with the bath rooms in the heritage hall!!!

Sue brought up that the lights on the tank house is not working, and Brandon came by and replaced the lights in the back bedroom, since he is well over 6 foot tall it was a easy job for him. The 10 foot ceilings are hard to change the light bulbs.

After the meeting I called Jim Rector and the Radin's and invited them to our Christmas party.

Merry Christmas and a Happy New Year

Sincerely

Chairperson, Loretta Estrada
